In 2007, he started the Strampe Custom Pro Shop and helped guide many bowlers throughout the years.

**Annual Meeting Minutes of the Metro Detroit USBC Association
Sunday, May 19, 2024 at Bowl One Lanes, Troy**

MDUSBC President Libbi Fletcher called the annual meeting of the Metro Detroit USBC Association (MDUSBC) to order at 2:07 p.m. at Bowl One Lanes in Troy, Michigan.

In attendance were 35 registered members.

The Pledge of Allegiance was recited.

MDUSBC Vice President, Ken Clayton, conducted the memorial service honoring Board Directors who had passed away in the previous year.

John Vorpapel moved to dispense with the reading of the previous minutes, supported by Anita Maiorana. Motion carried.

President's Report

President Fletcher reported activities from August 1, 2023 to present.

She reported attending many MDUSBC tournaments, Women's/Men's Series Events as well as the end of season Invitational. Fletcher was grateful to attend the World Series of Bowling at Thunderbowl and sit with the BVL highlighted veteran, Ed Hogan and Vicki Ingham during the telecast on FS1. The staff at Thunderbowl Lanes was recognized for amazing work during the World Series events.

Fletcher voiced gratitude to the Board of Directors as well as Phil Goodman and the rest of the MDUSBC staff for their efforts throughout the season. She also recognized the efforts of Vice President Clayton for filling in whenever needed.

She attended the USBC Convention for the 39th year as being a volunteer on the Detroit Boards of Directors and highlighted the theme of the convention being "Experience is everything." Members were encouraged to ask people to join their leagues, bowl in the City Tournament and volunteer when available. In addition, they were encouraged to volunteer at Jr. Gold 2024 with over 3,800 athletes expected to bowl.

Association Manager's Report

Phil Goodman, Association Manager, expressed gratitude for the efforts of the Board of Directors, Executive leadership by President Libbi Fletcher and Vice-President Ken Clayton. In addition, he recognized the importance of support from volunteers, the Board of Directors and Mark Martin.

A one percent increase in adult membership was noted with 32,154 this season compared to 31,864 during the same time period last season. Youth membership is down thirteen percent with 1,542 this season compared to 1,784 last season. Goodman noted some of the surrounding communities who have certified youth programs through MDUSBC did not this year. It is believed those leagues certified directly through USBC online which is an option that recently began. This would account for some of the drop in youth membership but not all of it. Current Premium Upgrades were reported at 426 members, up from 383 last year, who paid to receive the crystal awards for 11 in a Row, 300 games and 800 series.

For Michigan State USBC (MSUSBC) activities, Goodman reported the MSUSBC Annual Meeting is June 22nd, with current delegates being Dwayne Anderson, Martie Boron, Ken Clayton, Pat Klix, Marti Marshall, Colleen Scott and Phil Goodman. In addition, engraved award plates will be presented to Michigan State Hall of Fame inductees from MDUSBC, including Kim Maddy, Stacey Timmer and John Ruggiero III.

Goodman reported an excellent USBC Convention and Annual Meeting with 11 delegates attending from MDUSBC. The Keynote Speaker, Marvelous Mark, provided an entertaining and informative session using successful Rock Bands as the basis for his study. The emphasis of the message was to take a Team approach to business with everyone's role being equally important, including the Rock Star themselves. In addition, a focus was placed on dreaming big, being unafraid to do what other's won't and to always keep the energy turned up. Informative sessions

included rules, communication among four generations of bowlers and several others were provided. No legislative matters were addressed at the convention this year.

Goodman reported that 8 centers are confirmed for Jr. Gold 2024. Volunteers are being tracked through a registration process going to the Detroit Sports Commission. Flyers with the QR Code sign up and event schedules were brought to the meeting for attendees to take with them and promote the tournament. Attendees were encouraged to recruit high school students to work inside the center along with the adults. The high school students under 18 years old do not have to go through SafeSport. It was also noted that sixth to eighth graders along with their parents are encouraged to sign up for registration bag stuffing on July 11th at Suburban Showplace from 9am-4pm.

Goodman noted the MDUSBC web-site is being upgraded to a new platform and will be revamped to simplify the navigation process. Facebook has 1,038 followers and several examples of posts with the amount of likes were highlighted. Constant Contact continues to be used for email blasts. Rose Mason asked Goodman about text messages being sent through Constant Contact. He noted this is an expensive option that will be researched further as it is an important tool for the younger generations.

Goodman requested attendees to volunteer for Jr. Gold and other events. Sign-up sheets for both were provided.

The free \$3,000 Accidental Death insurance policy and other benefits continue to be offered by American Income Life as well as some other options. A benefits poster was included in the Annual Meeting packet.

Goodman noted the following upcoming events: Youth Banquet on Sunday, June 9th – 1:00 p.m. at Club Venetian in Madison Heights and the Adult Banquet on Tuesday, June 18th – 5:30 p.m. at Club Venetian..

Nominating Committee Report

Ken Clayton, Chairman of the Nominating Committee, made the announcement and procedure for the nomination/voting process. The agenda package included the Board Applications of interested candidates who were reviewed by the Nominating Committee.

He reported there were nine open positions with nine nominees. Therefore, a ballot is not required.

The election of Directors as well as State and National Delegates will held later in the meeting.

Finance Committee Report

Mark Martin, chair of the Finance Committee, gave the report. The budget for the 2022-23 fiscal year was a deficit of \$5,516. The final result was a surplus of \$43,479. Year-end reports are available on the website under Board Information. The approved budget for the current fiscal year ending in July 2023 is a deficit of \$14,017. Due to an increase in membership, the forecasted surplus for the current year is reported to be approximately \$500.

The board receives Profit & Loss, Balance Sheet and Statement of Cash Flows reports each month. The Finance Committee receives monthly general ledger reports with all financial transactions. The officers and Finance Committee chair receive a copy of the bank statement each month.

The Association Manager salary is \$59,000 per year.

The profit & loss statement is broken down by tournament. In the 2022-23 fiscal year, there was aggregate tournament income of \$223,339 with \$219,097 in tournament expenses for a net gain of \$4,242. As noted, other than restricted funds, our intention is that tournaments are self-sustaining.

Youth Committee Report

Mark Hurrigam, Chairman of the Youth Committee thanked the Youth Committee members for their time and support.

The MDUSBC Youth Championship was held at Spins Bowl Waterford (Century Bowl). Participation in this event was comparable to last year. He noted 20% of youth bowlers participated in the tournament and hopes the adults can set a similar goal.

The MDUSBC Junior Masters was held at Thunderbowl Lanes. Hurttgam was thankful to the center for their support. Participation was 18% higher than last year.

The MDUSBC Adult/Youth increased from 62 teams last year to 141 this year.

Six \$1,500 scholarships out of 17 applicants were awarded to worthy candidates. The awardees include: Nolan Johnson; Sophia Matheson; Brendan Riley; Jack Smith; Elijah Strunk and Alexander Uranga.

Hurttgam reported continued efforts to revise All-City qualifications to include high school bowlers unable to participate in MDUSBC leagues from December through the first week of March.

Melinda Dunbar has been elected as Coach of the Year. She coaches the King Pins at Merri-Bowl and is very dedicated to bowlers facing challenges. She provides encouragement and excellent training to the King Pins who participate in both regular league play and tournaments.

The Youth Banquet will be Saturday, June 9th at Club Venetian in Madison Heights.

Charities Report

BVL & Bowl For The Cure

Libbi Fletcher reported on Bowlers to Veterans Link (BVL) and Bowl For The Cure.

She gave thanks to all who supported both of the charities.

BVL Month in America is November. Due to lack of participation, the November event was cancelled. In place of it, Fletcher noted she had a separate fundraising effort that raised \$5,000 for BVL. We also sold the \$10 lottery tickets and passed out the league envelopes sent to each secretary again. Through the league envelopes, MDUSBC members raised over \$13,000 compared to \$11,000 last year. In addition to the annual fundraising efforts, two Johnny Petraglia BVL bowling balls were raffled off in March raising additional funds. Over \$25,000 was raised this year with a direct donation to CleanBoxes for equipment to sanitize virtual reality glasses at the Detroit Valor Center and John Dingell VA Medical Center.

The total contributions exceeding \$25,000 placed MDUSBC on the BVL Best List with 3rd place for large associations. The State of Michigan finished second for money raised and was one of three states exceeding \$100,000 in donations.

Fletcher thanked veterans and active-duty soldiers for their service.

The Bowl For The Cure event was held at Bowl One Lanes in February. It was very successful again with 135 entries raising over \$9,800.00.

Through the event, raffle ticket sales and league envelopes, a total in excess of \$27,000.00 was raised this year. This year, the Board of Directors approved \$10,000 going to Bowl For The Cure - Komen Foundation and the remainder being donated to the Karmanos Cancer Institute to support underserved women needing related services. Fletcher thanked everyone for their efforts.

To date, MDUSBC has raised \$377,000.00 to help eradicate breast cancer. Fletcher noted next year's event will be the last Saturday in February at Bowl One and anyone interested in being on the committee to let her know.

McKay Invitational

Mark Martin reported the 33rd Annual McKay Invitational tournament was held on December 2nd, 2023 at Sterling Lanes. Funds raised for this event go to the Karmanos Cancer Institute and the International Bowling Hall of Fame Museum.

Additionally, lottery tickets were sold and a total of \$8,181 was raised which was split between the two charities.

This next event will be held on Saturday, December 7th at Sterling Lanes.

Unfinished Business – There was no unfinished business

New Business

Patricia Klix, Ways and Means Chair, requested more support with 50/50 ticket sales at MDUSBC events as well as help selecting and selling merchandise.

Rose Mason suggested the month of August to hold the Annual Meeting with the hope to increase attendance. Discussion took place regarding different times tried in the past and success rates. No action was requested.
